## RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Dear Sir:

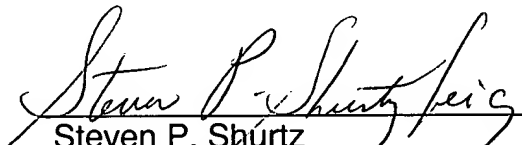

In response to the NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION mailed April 1, 2004, in the above captioned case, please consider the attached documents.

Exhibit A is a copy of the post card received from that Patent and Trademark Office acknowledging receipt of the above captioned application. The post card indicates that 13 sheets of drawings were received. Applicant's file

copy of the application as submitted includes Figure 14 as one of those 13 sheets of drawings. A copy of Figure 14 from Applicant's file is attached as Exhibit B.

It is submitted that when the application was originally received at the Patent and Trademark Office, all 13 sheets of drawings were included, and that Figure 14 was among them. Thus there is no inconsistency between the drawings filed 12-22-99 and the Brief Description of the Drawings in the specification. If Figure 14 of the original application is no longer in the file, it must have been lost subsequent to the filing of the application. A clean copy of Figure 14 is also enclosed in case it is needed for publication of the patent.

Respectfully submitted,
